From Scams

Never use paid online "tutoring" sites like Course Hero, UKEssays.com, StudyMode.com, etc.

Never use non-university affiliated websites to check for plagiarism.

Never copy information from online sources to finish an assignment.

Never trade work with other students.

Do

Use the Ashford University's 24/7 Writing & Library tutoring!

Use Turnitin's originality checker or Grammarly's plagiarism checker.

Ask your instructor for extra time to complete the assignment properly.

Brainstorm with your advisor on how to better manage your time and workload.
